Merchandising Manager

Company: Lowe’s
Job Location: Sidney, Ohio

Qualifications Desired: 2 years of customer service or retail experience in a fast-paced retail environment OR 1 year Lowe’s store experience. 6 months of experience as a team lead or leading others in an informal capacity. Ability to read, write, and perform basic arithmetic (addition, subtraction). Ability to work overnight and weekends as required. Preferred Qualifications: 1 year supervisory experience including coaching/training and evaluating the performance of direct reports. 8 months of merchandising experience including reading planograms, setting up and tearing down displays. 3 months of experience operating power equipment such as lifts, order pickers, and similar equipment. Working knowledge of basic tools needed for the job (e.g., hand tools, drills, saws).

Education Requirement: High School Diploma or equivalent

Job Duties: The Merchandising Service Manager (MSM) oversees store execution of all merchandising service, project, and maintenance activities. Successful completion of these tasks results in clean, safe, and accessible merchandise, and an overall appealing shopping experience for our customers. This associate supervises the team that resets (based on planograms), stocks, and prices merchandise accurately. In addition to supervising his/her own team, the MSM coordinates with others in the store to ensure the Merchandising Service Team supports successful sales and operations of the store. In many cases, the MSM must interpret and adapt the planograms and project plans provided to better serve the needs and layout of individual stores.

Travel Requirements: This role is on the MST overnight travel team and will be expected to travel to stores within assigned pods, neighboring stores and to meetings/trainings.

To apply: Apply online at: www.indeed.com or https://www.indeed.com/viewjob?cmp=Lowe’s&t=Merchandising+Manager&jk=2b21d6ce9acdf53&q=merchandising+manager&vjs=3

The MIT is responsible for supporting the Store Manager in the overall operation of the store to include: Overall store retail/commercial management, supervision, and policy implementation. Financial management – manage, analyze and reconcile monthly P&L statements. Employee staffing, training, and development. Inventory management. Customer service leadership. MITs are also responsible for completing operations and management skills training, and learning about key aspects of the business and AutoZone culture. MITs must maintain satisfactory performance and must demonstrate consistent progression through the training program in order to remain in the pipeline role and be considered for management openings. Note: Selection for the MIT position does not guarantee promotion into a Store Manager/Commercial Sales Manager position. Whether and when an MIT is actually promoted to management is dependent on a variety of factors, including but not limited to performance and availability of management openings.
