

First in Manufacturing Talent

We Work For You

Our recruiters have extensive knowledge of manufacturing and established relationships with the top companies in your area.

Our Focus

Because manufacturing is all we do, we have the screening and testing tools that assist us in placing you at the right position for your skills and experience.

Our employees work in all aspects of manufacturing including:

All Shifts Production in Sidney - \$12 - \$14.75
Forklift, Maintenance, Robotic Weld and Powder Coating
Entry level and skilled positions in Miami & Shelby county

At ResourceMFG, we specialize in staffing for the manufacturing industry. That means 100% of our placements are made in a factory / manufacturing work environment. If your career is in the manufacturing industry, let us be the link to your next job.
